**ORDER**

The United States Magistrate Judge made findings, conclusions and a recommendation in this case. No objections were filed. Nor did Rodney Sneed (“Sneed”) inform the court in writing that he wishes to voluntarily dismiss this case without incurring a filing fee obligation. The district court reviewed the proposed findings, conclusions and recommendation for plain error. Finding none, the court **ACCEPTS** the findings, conclusions and recommendation of the United States Magistrate Judge, **DISMISSES** plaintiffs Kenneth Keith and Tarrence Green without prejudice to each filing a new complaint in his own behalf on the appropriate 42

U.S.C. § 1983 form and accompanied by a properly executed request to proceed *in forma pauperis*, and **RE-REFERS** plaintiff Sneed's complaint to the magistrate judge to enter an order granting *in forma pauperis* status in accordance with 28 U.S.C. § 1915, and for further proceedings.

**SO ORDERED.**

January 29, 2009.
